

WINN AWARDS

Increasing diversity in clinical trials to reduce health disparities and improve health outcomes in all communities and populations.

ROBERT A. WINN
DIVERSITY
IN CLINICAL TRIALS
AWARD PROGRAM
Established by the Bristol Myers Squibb Foundation

About the Robert A. Winn Diversity in Clinical Trials: CAREER DEVELOPMENT AWARD (WINN CDA)

Program Goal

This two-year program is designed to support the career development of early-stage investigator physicians who are committed to increasing diversity in clinical trials, preparing them to become independent community-oriented clinical trialists.

\$120K

PER YEAR FOR TWO YEARS*

**Funding protects 40% of Scholars' time and effort for program participation*

APPLY NOW >>

Apply by May 13, 2024
