

# Providing seamless behavioral health integration for the most vulnerable populations

PSYCHIATRY • THERAPY • VIRTUAL CARE • IN-PERSON CARE

*Ascend Healthcare provides comprehensive behavioral healthcare services. We are mission-driven with a dedicated focus on partnering with FQHCs, resulting in consistent, high-quality behavioral healthcare delivered through integrated care models and collaborative care teams. We treat all ages, acuity levels and diagnoses and our hybrid model caters to the needs of health centers and patients.*

## WE ARE YOUR...

### ACCESS SOLUTION

We partner with your CHC to build solutions that address barriers to care, **improving patient access.**

We offer a comprehensive scope of care including Child & Adolescent, SUD, Complex & Acute needs.

We utilize and enhance the established health center EHR, patient-access pathways, and processes.

- ✓ Care for Everyone
- ✓ Address Social Drivers of Health
- ✓ Reduce No-Show Rates by 50%

### QUALITY SOLUTION

We help coordinate communication between behavioral health and primary care providers, resulting in **superior patient outcomes.**

We provide continuity of care by exclusively assigning a team of clinicians to your CHC.

We decrease wait times and facilitate a simplified patient journey, improving care compliance.

- ✓ Gold-Standard Care
- ✓ Reduce PCP Burden
- ✓ Improve Quality Metric Performance

### SCALABLE SOLUTION

We maintain a deep bench of behavioral health specialists. Our partners benefit from the breadth of our entire organization.

We can easily **scale to the need**, and aren't limited to traditional physical buildout capacity issues.

Reduced geographic requirements increase the potential pool of providers.

- ✓ No Growth Limitation
- ✓ Bilingual/Culturally Competent Providers

### FINANCIAL SOLUTION

We offer a per encounter fee model, with ZERO upfront financial commitment — **The value provided is the value paid for.**

FQHCs can bill under their PPS rates, often resulting in significant net gains over the per-encounter fee.

- ✓ Drive a Profit Center
- ✓ No Downside Risk
- ✓ Expand Grant Eligibility
